Introduction - In November 2016 here in Bath, James and Bhari Long invited prophetic art leaders and creative arts leaders from across the UK, USA, Europe and further afield to come and fellowship together, in union and communion with the Lord, and in unity and community with each other. The invitation to gather again in 2017 was unanimously welcomed, so **we warmly invite you to join us again this September 2018.**

This Prophetic Arts Leaders Gathering is for prophetic artists who lead or facilitate prophetic arts groups, worship and creative arts groups, whether at church, in the local community, regionally, internationally and/or interdenominationally. Come to worship the Lord together creatively, seek His face and wait on Him. Share together, learn from each other, and pray and encourage one another. Our heart's desire is that you will be refreshed, restored, rejuvenated and aligned with your calling and destiny. Then go and bless the artists and artisans, and those you serve, minister to and work alongside.

Your Hosts James and Bhari Long

Prophetic artists James and Bhari have pioneered prophetic art across the UK and overseas since 2004 and their art has gone worldwide. This Annual Gathering is about union and communion with the Lord, and unity and community with each other. Come and rest in the presence of the Lord, seek His face personally and corporately, for His 'kairos' word for you and for the Prophetic Arts locally, regionally and globally. Receive a fresh anointing of the Holy-Spirit, renewed vision, divine inspiration and impartation. Bhari is author of 'ARTISTS & ARTISANS AWAKE! Creativity & the Global Harvest'

THE VISION - *Global culture transformed by God's army of artists and artisans in partnership with the Holy Spirit.*

THE MISSION - *to call forth, raise up, encourage, equip, empower and envision God's army of artists and artisans to redeem the arts, restore the arts to the Church, usher in the coming Renaissance and bring in the global harvest, in partnership with the Holy Spirit.*

We invite you to bring an example of your prophetic artwork for the Altar as we consecrate ourselves and our gifts to the Lord afresh. This area will become the 'Encounter God' Exhibition' as a place of contemplation, inspiration, celebration and encounter! Spread the word!
