**CALLING all CHRISTIAN CREATIVES to the OLIVE GROVE Annual Gathering.** If you have a heart for the Arts - music, singing, song-writing, dance, painting, sculpture, acting, writing, poetry, story-telling, photography, puppets, fashion, design and crafts - this is for you! Be encouraged, inspired and enjoy fellowship in a creative community!

## Your Hosts James & Bhari Long

Prophetic artists James and Bhari Long have pioneered prophetic art across the UK and overseas since 2004. They have a real heart for artists and artisans - to welcome them home to the Church, serve as sons and daughters of the House, and to encourage the Church to embrace artists and artisans and their creative gifts once again. And, partner with the Holy Spirit and share their creative gifts with the world!

**The Olive Grove Annual Gathering** is for everyone who is creative and/or has a heart for the Arts. This is a time set apart to worship the Lord creatively, pray together, seek His face individually and corporately, and share testimonies of how the Christian Arts are impacting individuals, communities and culture. Be inspired to use your creative gifts to reach the lost, the lonely and the unloved. Spread the word and bring your friends!

Please bring an example of your prophetic art or creativity for the Prophetic Arts Exhibition, as we consecrate our creative gifts to the Lord together. For more information contact Bhari: 07769788015 or email [propheticartists@btinternet.com](mailto:propheticartists@btinternet.com)

Closing date: Sunday 21st April!

**"See you at The Olive Grove!"**
