Maria: *"I am an artist who loves the Lord and I desire that my paintings touch hearts, bring hope, healing and connection. I love to empower, release and encourage others to tap into their creativity. My artistic journey so far has led me to paint spiritual landscapes. Spiritual landscapes are an expression of God's hand on someone's life and their journey."*

In this workshop we will use activations to listen to the Holy Spirit, connect with Father God and create our own landscapes using Scripture as the foundation. It is my hope that this workshop will deepen your journey with Father God through this creative process.

We will be using acrylics. Please bring your Holy Bible, notebook and pen. Please wear old clothes or bring an apron, and bring a table-top easel if you have one. Feel free to bring your own brushes and paints etc if you would like to.

Maria, James and Bhari's artwork will be available for sale.

To book your place please contact Bhari: 07769788015 or email propheticartists@btinternet.com

Closing date: This Sunday 12th May 2019
